This folder contains several files that bring context to Vibrating Font.

1. Vibrating Font License

Our (Non-Commercial Use) License is available as a PDF, which is also embedded directly into the font file rendering them inseparable.

2. Vibrating Font Index

An index is offered, detailing each of the 200+ characters, the name of the product and brand depicted, and which character they can be accessed by via the font.

3. Vibrating Font Marketing Materials

Please feel free to share with friends and colleagues and to post to social media

4. Vibrating Font (vibratingfont.ttf)

For Apple and PC computers and tablets
